Encore mieux que des Points Bonus, 2 fois plus de Points Bonus!

Du 1er Juillet au 30 Septembre 2021, gagnez le double des Points Bonus sur une sélection de modèles parmi les meilleures gammes de produits suivantes :
Micro datacenter (avec refroidissement intégré), **les Systèmes de Gestion IT Vertiv™ et leurs Logiciels & Licences associés***.

1 Point Bonus = 1 EUR

*Veuillez noter que les produits indiqués ne sont pas tous disponibles en zone EMEA. Pour plus d'information, veuillez consulter votre Responsable Commercial Channel.

Vertiv™ VRC-S		
Micro data center (with integrated cooling)	VRCS3350-230VU	VRC-S integrated micro data center 42U 800x1200 with 3,5kW self-contained cooling, 6kVA UPS, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3350-230V	VRC-S integrated micro data center 42U 800x1200 with 3,5kW self-contained cooling, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3350-230VSLU	VRC-S integrated micro data center 42U 800x1200 with 3,5kW split cooling, 6kVA UPS, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3350-230VS	VRC-S integrated micro data center 42U 800x1200 with 3,5kW split cooling, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3350-230VSLU	VRC-S integrated micro data center 42U 800x1200 with 3,5kW low ambient split cooling, 6kVA UPS, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3350-230VSL	VRC-S integrated micro data center 42U 800x1200 with 3,5kW low ambient split cooling, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3300-230VU	VRC-S integrated micro data center 42U 600x1200 with 3,5kW self-contained cooling, 6kVA UPS, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3300-230V	VRC-S integrated micro data center 42U 600x1200 with 3,5kW self-contained cooling, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3300-230VSU	VRC-S integrated micro data center 42U 600x1200 with 3,5kW split cooling, 6kVA UPS, managed rPDU and monitoring

Micro data center (with integrated cooling)	VRCS3300-230VS	VRC-S integrated micro data center 42U 600x1200 with 3,5kW split cooling, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3300-230VSLU	VRC-S integrated micro data center 42U 600x1200 with 3,5kW low ambient split cooling, 6kVA UPS, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3300-230VSL	VRC-S integrated micro data center 42U 600x1200 with 3,5kW low ambient split, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3307-230VU	VRC-S integrated micro data center 48U 600x1200 with 3,5kW self-contained cooling, 6kVA UPS, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3307-230V	VRC-S integrated micro data center 48U 600x1200 with 3,5kW self-contained cooling, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3307-230VSU	VRC-S integrated micro data center 48U 600x1200 with 3,5kW split cooling, 6kVA UPS, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3307-230VS	VRC-S integrated micro data center 48U 600x1200 with 3,5kW split cooling, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3307-230VSLU	VRC-S integrated micro data center 48U 600x1200 with 3,5kW low ambient split cooling, 6kVA UPS, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3307-230VSL	VRC-S integrated micro data center 48U 600x1200 with 3,5kW low ambient split cooling, managed rPDU and monitoring

Micro data center (with integrated cooling)	VRCS3357-230VU	VRC-S integrated micro data center 48U 800x1200 with 3,5kW self-contained cooling, 6kVA UPS, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3357-230V	VRC-S integrated micro data center 48U 800x1200 with 3,5kW self-contained cooling, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3357-230VSU	VRC-S integrated micro data center 48U 800x1200 with 3,5kW split cooling, 6kVA UPS, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3357-230VS	VRC-S integrated micro data center 48U 800x1200 with 3,5kW split cooling, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3357-230VSLU	VRC-S integrated micro data center 48U 800x1200 with 3,5kW low ambient split cooling, 6kVA UPS, managed rPDU and monitoring
Micro data center (with integrated cooling)	VRCS3357-230VSL	VRC-S integrated micro data center 48U 800x1200 with 3,5kW low ambient split cooling, managed rPDU and monitoring
Environet Alert		
VERTIV IT Management Systems Software & Licences	ENVA-SERVER	Environet Alert Server License
VERTIV IT Management Systems Software & Licences	ENVA-DEV-10	Environet Alert 10 Device License
VERTIV IT Management Systems Software & Licences	ENVA-DEV-25	Environet Alert 25 Device License
VERTIV IT Management Systems Software & Licences	ENVA-DEV-50	Environet Alert 50 Device License
